

RSOBHD Position Statement on Child Protection Policy:

Photography Unauthorised use of cameras, imaging and digital devices without the organiser's permission, or for commercial gain is strictly forbidden. At an indoor competition an electronic recording may be taken for personal use only, provided the Judge(s)/Organiser have no objection. It is prohibited to use any device capable of recording or transmitting visual images without the organiser's permission. Following the awards parents may photograph their own child or other children with parental permission but be highly aware that there must not be other children in the shot whose privacy must be protected. As Organisers of this event, we plan to photograph winning competitors for the purpose of posting on our website or Facebook page. If anyone wishes to opt out of this process, please let us know. NOTE: Any rules pertaining to competition or Championship, released by RSOBHD or ABHDI from the time of printing this syllabus to the date of the competition or Championship, will be adhered to.
